

Oskar's Amazing Adventure

Show Information Sheet

NOW TAKING BOOKINGS FOR 2025

Snowbound in Grandma's little house on top of the mountain, fun-loving Oskar goes out in the snow to find a friendly animal to play with. But the puppy is chased by a hungry fox and has a lucky escape when he falls down a deep hole and lands on top of a young hibernating marmot. Marmot forgives Oskar, and using her amazing whistling and digging skills, alerts Grandma to where they are and digs a tunnel to escape the fox. Oskar has so much fun with his new-found friend that he wants to play more but must wait until spring for Marmot to finish her long winter's sleep.

"The energy and enthusiasm of the performer was staggering! She played many different parts with great results. The set was simple but effective with the changing seasons and the songs were catchy and fun."

FIDERI FIDERA

We are an artist-led Anglo-Swiss theatre company dedicated to creating new and original work for children and their families.

For us, children's theatre needs to be accessible, entertaining, and above all a shared experience with audiences. When we create a new play we make sure that it will work in a village hall just as well as in a theatre, in order to reach as wide an audience as possible.

Our plays have toured all over the UK and Ireland and we have played at such venues as the Lowry, MAC, Arc Stockton, Horse and Bamboo, Lighthouse, Dukes Lancaster, Dundee Rep, Warwick Arts Centre, Jackson's Lane, and the Half Moon. We have also toured with eleven Rural Touring schemes including Applause, Spot On, and Arts Reach.
